

MORRIS HOSPITAL AUXILIARY

January 2023

The past two years have truly been unprecedented. Like many fundraising events around the nation, we had to make some adjustments. Although there was no possible way to safely meet in person, thanks to creativity and your generosity, we were able to host virtual events to support programs that are so important to our community, making them the most successful fundraising events in the Auxiliary's history!

We are excited to announce that our 53rd Auxiliary Gala, themed “*Kaleidoscope*”, will be held on Saturday, February 11, 2023 at Jennifer's Garden in Morris. This special occasion – previously postponed in 2022 – will focus on creating a specialized Pediatric Integrated Behavioral Health Program at Morris Hospital & Healthcare Centers.

More Pediatric Integrated Behavioral Health resources in the communities we serve is desperately needed. At Morris Hospital & Healthcare Centers, we believe that raising awareness, developing productive treatments and transforming children's mental health needs to be a top priority. Our goal is that together, with Physicians, Hospital and Clinical Leaders, the Board of Directors, and strong community partnerships, we can create a specialized Pediatric Integrated Behavioral Health program. Your support will help us take action during this heartbreaking pediatric crisis.

For your consideration, we have included sponsorship information for our 53rd Auxiliary Gala. We hope you will consider supporting this important fundraising effort and join us at this event. Should you have any questions, please don't hesitate to reach out to Hannah Wehrle at 815-705-7021/hwehrle@morrishospital.org or Molly McDonald at [815-705-7002/mmcdonald@morrishospital.org](mailto:mmcdonald@morrishospital.org).

Thanks for your consideration,

Hannah Wehrle,
Auxiliary & Foundation Officer
Morris Hospital & Healthcare Centers
