

MORRIS HOSPITAL AUXILIARY

July 2025

Dear Friend,

Our volunteer and donor supported Patient Transportation program annually provides more than 7,000 non-emergent rides to and from medical appointments for people in the communities we serve. A growing number of individuals have come to rely on this service. It has made the difference between seeking regular care or going without. It has eliminated the burden on busy or distant family members. It has made people feel independent and self-sufficient. This program makes many of our most vulnerable residents – the elderly, disabled, and economically challenged – feel valued and supported.

Over the last few years, just as we've seen in many other areas, the costs associated with these programs have continued to increase. However, the need for these programs is as strong as ever before. In order to continue to support these programs, that are incredibly dependent on the proceeds raised at this event, we rely on the kindness and generosity of our community.

With that in mind, I'm excited to announce the 2025 Annual Auxiliary Golf Outing will be held on September 22nd, 2025 at The Creek in Morris. The cost for the Patient Transportation vehicles has seen a dramatic increase, going from \$60,000 to now \$120,000 per vehicle. We have set our goal high, hoping to reach \$75,000 in net proceeds for a new vehicle. We can't meet our goal without the help of individuals and companies like yours.

Please find the enclosed sponsorship commitment form for our 2025 Golf Outing. We hope you will consider supporting this important fundraising effort and join us for a round of golf. Should you have any questions regarding the Golf Outing, please contact the Auxiliary & Foundation Office at 815-705-7024 or kbarry@morrishospital.org.

Thanks for your consideration,

Hannah Wehrle
