<b>DEPARTMENT SPECIFIC</b>		<b>EMERGENCY MANAGEMENT SYSTEM</b>	

**I. Purpose:**

To define immunity from liability for Morris Hospital Emergency Medical Services (EMS) System pre-hospital providers while providing infield patient medical assessment and life support services.

**II. Policy:**

As taken from the EMS Systems Act, 210 Ill. Comp. Stat. § 50/3.150:

Immunity from civil liability.

- a) Any person, agency or governmental body certified, licensed or authorized pursuant to this Act or rules there under, who in good faith provides emergency or non-emergency medical services during a Department approved training course, in the normal course of conducting their duties, or in an emergency, shall not be civilly liable as a result of their acts or omissions in providing such services unless such acts or omissions, including the bypassing of nearby hospitals or medical facilities in accordance with the protocols developed pursuant to this Act, constitute willful and wanton misconduct.
- b) No person, including any private or governmental organization or institution that administers, sponsors, authorizes, supports, finances, educates or supervises the functions of emergency medical services personnel certified, licensed or authorized pursuant to this Act, including persons participating in a Department approved training program, shall be liable for any civil damages for any act or omission in connection with administration, sponsorship, authorization, support, finance, education or supervision of such emergency medical services personnel, where the act or omission occurs in connection with activities within the scope of this Act, unless the act or omission was the result of willful and wanton misconduct.
- c) Exemption from civil liability for emergency care is as provided in the Good Samaritan Act.
- d) No local agency, entity of State or local government, or other public or private organization, nor any officer, director, trustee, employee, consultant or agent of any such entity, which sponsors, authorizes, supports, finances, or supervises the training of persons in the use of cardiopulmonary resuscitation, automated external defibrillators, or first aid in a course which complies with generally recognized standards shall be liable for damages in any civil action based on the training of such persons unless an act or omission during the course of instruction constitutes willful and wanton misconduct.

- e) No person who is certified to teach the use of cardiopulmonary resuscitation, automated external defibrillators, or first aid and who teaches a course of instruction which complies with generally recognized standards for the use of cardiopulmonary resuscitation, automated external defibrillators, or first aid shall be liable for damages in any civil action based on the acts or omissions of a person who received such instruction, unless an act or omission during the course of such instruction constitutes willful and wanton misconduct.
- f) No member or alternate of the State Emergency Medical Services Disciplinary Review Board or a local System review board who in good faith exercises his responsibilities under this Act shall be liable for damages in any civil action based on such activities unless an act or omission during the course of such activities constitutes willful and wanton misconduct.
- g) No EMS Medical Director who in good faith exercises his responsibilities under this Act shall be liable for damages in any civil action based on such activities unless an act or omission during the course of such activities constitutes willful and wanton misconduct.
- h) Nothing in this Act shall be construed to create a cause of action or any civil liabilities.
