MORRIS HOSPITAL & HEALTHCARE CENTERS

People You Know. Extraordinary Care.

POLICY:	REACTIVATION FROM INACTIVE STATUS – 200.8		
APPROVAL:	VICE PRESIDENT OF PROFESSIONAL SERVICES; MANAGER OF EMS;		
EFFECTIVE DATE: 9/1/2016	CURRENT REVIEW/REVISION DATE: 8/16	SUPERSEDES: N/A	ORIGINAL EFFECTIVE DATE: 08/16
DEPARTMENT SPECIFIC		EMERGENCY MANAGEMENT SYSTEM	

I. PURPOSE:

To allow the System provider to reactivate from inactive status.

II. POLICY:

When requesting reactivation from inactive status, the System provider must complete the following System requirements:

A. Contact the Morris Hospital Emergency Medical Services (EMS) System office and schedule an appointment to complete the following System requirements.

1. Submit a written authorization from an appropriate physician licensed in the State of Illinois verifying the individual is physically capable of performing emergency care and life support functions and can exercise the appropriate judgment, skill and safety for performing the emergency care and life support functions for which he or she is licensed to perform as regulated by the System and approved by the Department.

2. All individuals must demonstrate that their knowledge and clinical skills are at an active provider level for their level of licensure/certification.

3. Providers must complete all System entry requirements as outlined in Policy 200.1 Entry of an Out of System Licensed Providers.

4. Submit a copy of a current American Heart Association BLS (CPR) Healthcare Provider card.

5. Complete any additional didactic or clinical education as deemed necessary by the Morris Hospital EMS System office.

B. Upon completion of the above, the EMS Medical Director or designee will review the request for permission to function in the EMS System as a licensed/certified provider.
